UZIMA

UZ-BP

The UZ-BP Backpack System is a practical and durable water filter for those who are on the move. Ditch the inconvenient water jugs. This hands-free water transportation source is just what adventurers need.

KEY HIGHLIGHTS

1. Lightweight alternative to bulky water jugs
2. 0.1 Micron hollow fiber membrane for powerful filtration
3. Holds 17.5 L of water (four times the water an average filter bag can hold)
