

# WATER FILTRATION

## ARMOUR Stainless Steel Gravity Water Filter System

Premium stainless steel gravity water filtration system powered by the Coldstream FTO Plus Ceramic Water Filter. Removes >99% of bacteria and viruses while greatly reducing lead, fluoride, and microplastics.

### Key Features

- 💧 Filter certified to NSF/ANSI standards
- 💧 Requires no power or priming
- 💧 Premium housing made for long-term use

## Why the ARMOUR housing?

**Water You Can Trust** — The Coldstream FTO Plus Ceramic Gravity Water Filter uses advanced filtration technology to remove 99.99% of harmful microorganisms. It also reduces the presence of other common contaminants like lead, fluoride, and microplastics.

**Berkey® Alternative** — Meets clear market demand for a high-performance alternative to Berkey®, offering a premium, high-performance unit for the household.

**Premium Home System** — The combination of stainless steel tap and housing offers a premium, cohesive look for home use, justified by superior filtration performance.
